

OPEN POSITION

APPLY AS CO-PROJECT HEAD FOR FRAMEWORK

oikos St.Gallen is the leading student-driven sustainability organization at the HSG. Framework is an official Oikos project with the aim to establish a guide to help student clubs become greener, using a series of easy-to-apply tips. We are looking for an inspired individual, who wants to make a positive impact. While skills in marketing or events may be useful, motivation and willingness to learn are key! Join the team today as we take Framework to the next level. For the Spring term, you will have the role of co-project head and receive guidance from the current PH before taking over next term.

YOUR RESPONSIBILITIES AS TEAM MEMBER

Somewhat flexible depending on your skills and preferences, and may involve some of the following:

- Creating new partnerships to help the project succeed
- Expanding the Guide to include more comprehensive knowledge
- Conceiving of creative ways of promotion
- Work on special projects

WHAT DO WE OFFER?

- Teamwork with committed students in the fields of sustainability and consulting
- A meaningful and challenging project alongside your studies to put your learnings to use
- Certification of participation for your engagement
- Shape the future of Framework and leave your mark
- Leadership role within one of HSG's largest clubs
